As previously reported, following the appointment of Liquidators, the Entity’s cash at bank in the sum of £2,263,811 was transferred to a bank account operated by the Liquidators. period from 1 November 2023 to 19 December 2023. HM Revenue & Customs issued a refund on the £4,293 claimed.

#### *Third party contribution*

As previously reported, a third party assumed responsibility to deal with all of the Entity's valid liabilities when it purchased the Entity's business and assets in June 2023. In the Period, the third party contributed £1,000 towards settlement of a claim. Further details are set out in the liabilities section of this report.

#### *Insurance refund*

In the Period, a refund in the amount of £4,079 was received from Gallagher.

The Liquidators are not aware of any other assets that remain to be realised.

#### **Settlement of liabilities:**

The Directors' Declaration of Solvency indicated that the Entity had an outstanding liability of £25,500 upon entering liquidation, relating to professional services provided to prepare the Entity for liquidation. As previously reported, PricewaterhouseCoopers LLP was paid £21,065 plus VAT for such services.

As previously reported, the Liquidators published a notice in the London Gazette inviting creditors to submit details of claims they may have against the Entity.

#### *Litigated claims*

The Liquidators wrote to certain parties identified as having issued prior proceedings against the Entity pre-liquidation, inviting them to submit a proof of debt, but also explaining that a third party had assumed responsibility to deal with all of the Entity's valid liabilities when it purchased the Entity's business and assets in June 2023. As a result the Entity has been removed as named Defendant in all known Court proceedings issued against it and all parties who received the above appointment notice have confirmed that they do not have a claim against the Entity.

#### *Employment Tribunal claim*

As previously reported, the Liquidators separately received a claim submitted on behalf of c. 195 claimants in relation to an Employment Tribunal case which had been heard and dismissed pre-liquidation. The Liquidators rejected this claim which was appealed by the claimant in July 2024. Following independent legal advice from Stewarts Law the appeal was subsequently dismissed by consent on 10 September 2024 and no further action has been taken or claim received. Stewarts Law's final fees in the sum of £9,288.50 were paid in the Period.

#### *Rejected claim*

As previously reported, the Liquidators received a claim totaling £25,320 relating to services purportedly provided by a third party prior to the commencement of the liquidation. The Liquidators requested further information from the third party to substantiate the claim, but no additional details were provided. In the Period the Liquidators issued formal notice rejecting the claim in full. The claimant did not appeal the Liquidators' decision within the statutory 21 day period and as such, the Liquidators consider this matter closed.

#### *Environment Agency Enforcement Notice*

As previously reported, the Environment Agency issued an Enforcement Notice against the Entity in relation to the Energy Saving Opportunity Scheme. In the Period the Enforcement Notice was withdrawn by the Environment Agency. No outstanding obligations or liabilities remain in respect of this matter.

#### *Creditor claim*

In the Period, the Liquidators received a claim for £16,319 plus costs from two individuals in relation to the Entity's previous management of their property. The claim was largely disputed and had the liquidation not been nearing closure, the third party which had assumed responsibility to deal with all of the Entity's valid liabilities would have defended the claim in Court. However, in the interests of ensuring a timely distribution to the Entity's shareholders and to minimise further costs of the Liquidators which would have been incurred had the claim been defended in Court and the liquidation kept open for an extended period of time, the Liquidators agreed a full and final settlement of the claim together costs and interest in the sum of £6,000.

#### *Irrecoverable VAT*

In the prior period, the Liquidators settled invoices raised by the Entity's Registrars in the total sum of £10,950.18 plus VAT of £2,190.03. HMRC rejected the Liquidators' application to reclaim the input VAT paid because the invoices were addressed to Purplebricks Group plc, the Entity's former name. Unfortunately, no response has been received in respect of the Liquidators' requests to HMRC to reconsider the decision, and to the Registrars to reissue the invoices in the Entity's current name.

#### **HM Revenue & Customs ("HMRC"):**

Following their appointment, the Liquidators wrote to HMRC to inform them of the liquidation and to request details of any outstanding liabilities.

#### *VAT*

As previously reported, the Entity's VAT Group was disbanded with effect from 1 November 2023.

#### *PAYE*

In the Period, HMRC claimed £8,991.49 in respect of PAYE returns submitted in the periods from 6 October 2023 to 5 January 2024. On further investigation, the Liquidators confirmed that payment was due and outstanding. As such, HMRC was paid £8,991.49 plus statutory interest of £809.73 in settlement of the claim.

The Liquidators also arranged for the Entity's 2023/2024 Class1A NIC P11D/P11D(b) form to be submitted in Period, confirming nil liabilities due to HMRC.

#### *Corporation Tax - pre-liquidation*

As previously reported, the Entity's pre-liquidation tax advisers, Grant Thornton, submitted the final pre-liquidation corporation tax returns for FY23 and the FY24 stub period to the date of liquidation.

In the Period, the Entity's post-liquidation Corporation Tax returns for the periods from 20 December 2023 to 19 December 2024 and from 20 December 2024 to 7 March 2025 were submitted to HMRC. The Entity's tax computations indicated a tax liability of £6,269.41 which has been paid to HMRC.

#### *Notice of Intention to Declare a Dividend*

In the Period, the Liquidators issued HMRC with a Notice of Intention to Declare a Dividend, requiring HMRC to submit a claim in the liquidation for any further outstanding liabilities.

HMRC did not submit a claim within the required notice period. On the basis of the information provided by the former management and as no further claims have been received, the Liquidators deem that all tax matters associated with the Entity have been settled and that there remain no outstanding obligations or liabilities owed to HMRC.

Appropriate staff have been assigned to work on each aspect of the case based upon their seniority and experience, having regard to the complexity of the relevant work and the financial value of the assets being realised and/or claims agreed.

For the avoidance of doubt, work carried out by cashiers, support, offshore professional and secretarial staff is charged on a time costs basis and is included in the analysis of hourly rates charged by partners or other staff members. Time is charged in three-minute units (i.e. 0.05 units). PwC doesn't charge general or overhead costs.

In common with many professional firms, PwC's scale rates may rise e.g. to cover annual inflationary cost increases.
